Setting the Scene:

With a current ocean service offered in 5 different ports of Algeria, Maersk is well known for its core service. The idea of becoming the Global Logistics Integrator and help our customers to optimize their supply chains, has pushed us to excel our experience. As an integrated logistics company, we are now ready to offer you an end-to-end solution for your operation.

The Maersk deal: Trucking your cargo to your door

Operating in Algeria with the same vendor, offering you a bundled pack with solutions though sea and land, is a smart decision to optimize your logistic. With a focus and specialized Customer Experience in both products, your timing will be much more efficient.

Improve your operations with our bundle offer:

- Ocean
- Door-to- door truck delivery
- CHB (Cargo clearance)
- Value Protect
