

13<sup>th</sup> November 2024**Vessel Omission WK 47**

Dear Customer,

As your integrated logistics partner, our aim is to provide you the best ability to manage an efficient supply chain that keeps running without any delays or challenges. However, this is sometimes unavoidable – in which case, it is our utmost priority to ensure that you have the necessary information to better plan your logistical network.

In this regard, we would like to inform you that vessel **Maersk Atlanta - 446W** will be omitting Port Qasim ("PQ") and below are the details for your reference:

Vessel Name	Load Port	Vessel Voyage	Sailing Week
Maersk Atlanta	Port Qasim	446W	47

Please be noted that export shipments planned on Maersk Atlanta from PQ will be moved on **Navios Tempo / 446W**, expected departure of this vessel is 22<sup>nd</sup> **November** from PQ, below are the vessel cut offs for your reference.

ESI Cut Off	19 <sup>th</sup> November 11: 00 PM
CY Cut Off	20 <sup>th</sup> November 08: 00 AM

Kindly feel free to reach out to your local Maersk Customer Service representatives in case of further queries.
