Dear Customer,

In the current challenging business environment, we endeavour to provide a consistent output so that you can deliver your cargo on time.

One of the factors for us to maintain appropriate service levels is to ensure that all documentation is issued in a timely manner. We need your partnership and cooperation to ensure payment of overdue invoices, facilitating Bill of Lading release for Exports.

Maersk will be charging a Late Documentation Fee – Export as per below where payment is overdue.

Days	Currency	All Container Types
11- 17 Day days	USD	250
18 day onwards days	USD	350

Please be guided by the due date stated on the invoice, as this will be applied should payment not be received within 10 days. This will not be applicable where credit terms are in place or for invoices which have pending disputes.

This will be in effect from 15th September 2020 for non-regulated countries and 01st Oct 2020 for regulated countries.

If you have any questions, please feel free to reach out to your local sales or customer service representative on our Customer Service Hotline on +94 114794800 (between 9am to 5pm on weekdays)

We appreciate your business and look forward to continuing working with you in the future.

Best regards,
Maersk Lanka
