

Guideline:

Original Cargo Departure City:

Ensure to update the actual journey of the cargo in case it is other than the Place of receipt city, or country. This will help to get the actual country for the correct tax evaluation on the invoice.

Below field available on Maersk.com

Location Aliases

Load Port Dar es Salaam	Port of Discharge Tema
Departing 09 Sep 2024 17:00	Arriving 16 Oct 2024 16:00

Please select the Original Cargo Departure City.
Enter the actual cargo origin for accurate tax calculation and error-free freight invoicing.

Enter at least 3 characters

EDI

EDI customers should add "Start journey of cargo: XXXX" in the shipper's memoranda or notes to the carrier instead of the cargo description field.
